### DPAC Objectives:

1. To serve as an advisory group to the School Board.
2. To assist in decision-making with regard to school district programs, policies and practices through information, input and recommendations.
3. To provide a formal process for the Superintendent and district staff to receive input and feedback regarding district programs and operations.
4. To act as a liaison between the School Board and the community.
5. To provide parent representatives with information on educational programs, operations and issues.
6. To provide a mechanism for local parent/school groups to share and discuss educational issues and communicate with other parent groups.
